# INTRODUCTORY.

This, our Thirtieth Volume of the **Akron City Directory**, will be found similar to former issues and as complete as is possible to make a work of this kind in a growing city. We realize the constant demands on a City Directory and accordingly use our best efforts to give reliable information.

We are pleased to state that our city in the past year has had an unusual growth in population, an increase far greater than in any one year in its history. This fact is substantiated by the following carefully prepared table, showing the number of names in each letter and a comparison with the 1906 list.

	1906	1907		1906	1907		1906	1907
A	803	825	J	576	609	R	1536	1612
B	2809	2998	K	1488	1670	S	3577	3802
C	1882	2007	L	1191	1261	T	790	858
D	1239	1312	Mc	738	784	U	73	72
E	597	601	M	2098	2229	V	274	305
F	1289	1393	N	477	549	W	2120	2204
G	1374	1465	O	340	388	X	1	0
H	2781	2888	P	1094	1192	Y	151	185
I	109	132	Q	25	30	Z	247	266

Totals 1906 29,679 1907 31,637 Gain 1,958

Based on a conservative estimate (or using the multiple 2), the above figures would indicate a total population of about 63,274, and a gain of 3,916 in the past year.

We again wish to thank our patrons for their continued liberal support and renew our promise to make the Akron City Directory in keeping with all demands.

Respectfully,

June, 1907

# DIRECTORY SWINDLE—ENDLESS CHAIN.

How business men throughout the U S are fleeced out of thousands of dollars, year after year, on the "Complimentary Book Order" which is later converted into an "Advertising Contract," and in case payment is made the victim is requested to sign a "Has Paid" document which later turns up as "A Contract for Advertising," making an endless chain of daylight robbery

The cuts below made from confiscated papers of two of this notorious gang, captured at Akron, Ohio, May 20, 1907, clearly shows how the scheme is worked and accounts for the "genuine signature" which mystifies so many prominent business concerns

I own one hundred Desirable Lots in South Akron, about seventy-five of which are in the Coburn Allotment near West Thornton Street I will sell them on easy terms, and to desirable parties who wish to build a house, I will secure them a liberal system of paying for the same No agent's graft or commission to pay when you buy of me I have over one hundred customers in this immediate neighborhood whom I can give as reference as to my method of doing business There were originally five hundred and seventy eight lots in the Coburn Allotment, only about eighty-five remain unsold I sold ninety-seven during 1905 and 1906, and sixty-six houses were built during those two years I have sold more lots and there have been more houses built in the Coburn Allotment during the last two years than in any other five allotments in the city I have sold twice as many lots up to date during this year, 1907, than I ever sold up to this date any other year The passing of the vacant lots in the Coburn Allotment is near at hand If you want a lot get busy, as the choicest lots are being sold fast

### NOTICE.

We wish to call the attention of our patrons and the public in general to the itinerant Directory solicitor and advertising faker, whose footprints are still fresh in this locality. Beware of the solicitor who cannot show you authority from some one you know. Signing a contract is practically the same as paying the cash, for "pay day" is sure to follow, therefore you are fully justified in demanding identification. This is only good business policy. Our association offers a reward of \$100.00 for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake Directory. Further information on this subject will be cheerfully furnished.

Respectfully,

THE BURCH DIRECTORY COMPANY.

**NOTICE.**

We wish to call the attention of our patrons and the public in general to the itinerant Directory solicitor and advertising faker, whose footprints are still fresh in this locality. Beware of the solicitor who cannot show you authority from some one you know. Signing a contract is practically the same as paying the cash, for "pay day" is sure to follow, therefore you are fully justified in demanding identification. This is only good business policy. Our association offers a reward of \$100.00 for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake Directory. Further information on this subject will be cheerfully furnished.

Respectfully,

**THE BURCH DIRECTORY COMPANY.**

# ASSOCIATION OF American Directory Publishers

W. H. BATES, Secretary, 89 Third Ave., New York City

Objects of the Association are:

First—The interchange of ideas, the improvement of directories, the exchange of experienced employes and the advancement of the directory business in general

Second—To provide protection to the public against fraudulent advertising schemes, which operate under the name of directories, and to drive unprincipled directory publishers out of the business.

Third—To provide continuous, permanent and profitable employment to competent and industrious directory canvassers and compilers.

Fourth—For the mutual protection and advancement of the established and prospective interests of members
