**PREFACE**

This, our Thirty-second Volume of the **Akron City Directory**, 1909, will be found similar to former issues and as complete as it is possible to make a work of this kind in a growing city. Realizing the constant demands on the City Directory we have, accordingly, used every effort to give reliable information.

We are pleased to state that the city in the past year has had an unusual growth and is still growing along commercial and industrial lines as well as in population. The latter is fully substantiated by the following carefully prepared table, showing the number of names in each letter and a comparison with the total figures of 1907.

|   |      |   |      |       |        |
|---|------|---|------|-------|--------|
| A | 39   | J | 708  | R     | 1817   |

| H | 3165 | Q | 1333 | Z     | 279    |
| I | 124  |   | 28   | Total | 35,177 |

Totals 1907 31,637 1909 35,177 Gain 3,540

Based on a conservative estimate (or using the multiple 2), the above figures would indicate a total population of about Seventy Thousand Three Hundred and Fifty-four (70,354).

We again wish to thank our patrons for their continued liberal support, and renew our promise to make the Akron City Directory in keeping with all demands.

Respectfully,

THE BURCH DIRECTORY CO

June, 1909

## THE CITY DIRECTORY

Is the most effective and most economical method of reach-  
ing all the people all the time. Those who buy without looking at  
the list of those who sell do themselves great injustice. The  
classified list in the City Directory is the best Buyers' Guide on  
earth. A modern up to date method of getting what you want,
