LOW ACID-PROOF TANK OR TRAY

Made to order in most any size or design, with partitions and outlets as desired.

We make every description of Acid-Proof Chemical Stoneware Standard or Special

Our clay and method of manufacture is NOT the same as used by others in our district

THIS TRADE MARK stamped into the body of chemical stoneware means: that it is guaranteed acid-proof through the entire body, tough and durable and not brittle or fragile like common ware,--that it is free from checks, blisters or other defects and does not leak or sweat and must be perfectly satisfactory to you.

**Our Ware is Not Dependent Upon
A Glaze, Enamel or Veneer**

IT IS THE BODY ITSELF

**Withstands the action of Acids,
Alkalis and Chemicals, strong or
weak, hot or cold.**

THE ALBRECHT Barber Supply & Drug Company
 Pure Drugs at Lowest Prices 43 and 45 East Mill Street

The Brightest Sunshine.

Could not make Clothes whiter, cleaner or sweeter than those washed by our patented

ELECTRIC PROCESS

without the use of Chloride of Lime or other ruinous bleaches.

The water in which the clothes are washed is charged with an electric current, thus supplying the very elements used by nature when you hang your clothes in the outdoor sunshine.

THE NATIONAL LAUNDRY AND CLEANING COMPANY

Is the only Laundry in Summit County using this remarkable process, enabling it to positively guarantee sterilization, deodorization, colors not to run or fade, and the life of the linen to be greatly prolonged.

Call at the plants and let us demonstrate the merits of this wonderful fabric-saving discovery to you personally or if this is not convenient, phone

BELL MAIN 2865

OHIO STATE 1414

and we will see that one of our representatives calls and explains its merits to you.
