## THE CITY DIRECTORY

Is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified list in the City Directory is the best Buyers' Guide on earth. A modern up to date method of getting what you want, when you want it.

## THE CITY DIRECTORY

Is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified list in the City Directory is the best Buyers' Guide on earth. A modern up to date method of getting what you want, when you want it.
