

iOS (Apple) devices Downloading Kindle Books

Device used as an example for this instruction: iPad

What do I need to start?

1. Apple ID – for app download
2. Valid Library Card (less than \$10 in fines)
3. Kindle App
4. Amazon ID

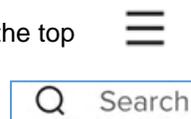

Kindle App

1. Download the Kindle app using your iPad's App Store.
2. Search for Kindle. *Amazon Kindle* will come up.
3. Tap **Install**.
4. You may have to use your iPad username and password to authorize your device downloading the Kindle app.
5. Go to the main screen and you should now see the Kindle icon on your iPad.
6. Tap on the Kindle icon and register your iPad by using your Amazon ID and password.
7. You will see lists of book begin with **From Your Library** on next screen. It shows the list of library Kindle books you may have borrowed.

Adding a Kindle Book to my device

1. Search library ebooks from your iPad via Safari or other web browser by going to the site <https://akronlibrary.overdrive.com>.
2. You can narrow down to look for Kindle Books only by tapping on the 3 lines on the top right of screen. Select Kindle Books from the list.
3. You can also type in **Search** bar on top and type in to search for any specific authors or titles.
4. Browse collection for **Kindle** book.
5. You will see **Available** or **Wait List** on top of the cover to indicate if you can borrow now or place a hold.
6. Tap the **Book Cover** if you find available to borrow.
7. Tap **Borrow**.
8. Enter your ASCPL Barcode # and PIN #.
9. Tap **Borrow** again.
10. Tap **Read now with Kindle**.
11. You will be brought to the Amazon account page on your browser. (If you have not logged in yet, you will be prompted here to log in.)
12. On the right side of the screen, below the button **Get Library Book**, select your device by name, then tap on **Get Library Book**.
13. You will see the confirmation on next screen that the book is delivered to your iPad.
14. Go back to the main screen of your iPad and tap on the Kindle App icon.
15. You will see the library books under the heading **From Your Library**.
16. Tap on Book cover to read the book.

How to Renew

1. Log in to your account on your browser and tap on the library Bookshelf icon.
2. Select the **Renew** button under the title you'd like to renew, which will appear three days before the title expires.
3. Choose an option for the length of the renewal (if available). Then, tap **Renew** again.
4. If a title you borrowed has holds, you won't be able to renew it. Instead, you can use the **Request again** feature to join the title's wait list, so you can borrow it again once it's available.
5. Select the **Request again** button under the title you'd like to request.
6. If prompted, enter and confirm your email address in the pop-up window.
7. Titles you've requested again will appear on your **Holds** page, and you'll get an email when they're available to borrow.

Returning Early

1. Go to www.amazon.com.
2. Sign in to your account.
3. Tap the down arrow under your name and Account on top right. Select **Content and Devices** from the list.
4. Find the title you wish to return. Tap on the 3 dot button next to the title. List of things you can do with this title will show up in a box.
5. Tap **Return this book**.
6. When prompted, tap **Yes**.
7. To get rid of from your Amazon list permanently, tap on 3-dot button again and select **Delete** and confirm **Yes**.
