

Who wants to do a Science Fair Project?

Who wants to do a Science Fair Project? High school and middle school students and parents can learn all about it at these free clinics sponsored by the Akron-Summit County Public Library, the Akron Council of Engineering and Scientific Societies (ACCESS), and the NEOHSTEM Alliance. Using a combination of pre-selected videos, live Zoom meetings and discussions with scientists and science fair experts, we will meet virtually to explore the ins and outs of scientific research, project planning, reporting out, and more. Attend one or attend all the sessions.

These free, virtual programs take place via Zoom. A Zoom link and instructions will be emailed to all registrants the week of the program.

Contact the Science & Technology Division (330-643-9075 or stdiv@akronlibrary.org) with questions.

INTRODUCTION TO A SCIENCE FAIR PROJECT

**WEDNESDAY, SEPTEMBER 9
4-5 PM**

Explore what it takes to create a winning science fair project—scientists, judges, educators, and even you can examine and critique past winners and learn about the elements of scoring. Via Zoom.

HOW TO CREATE A SCIENCE FAIR PROJECT PLAN

**WEDNESDAY, SEPTEMBER 23
4-5 PM**

A 3-part series, the first two are pre-recorded videos and will be available to watch on the Akron-Summit County Public Library's YouTube channel beginning Thursday, September 10. Join us for the final session meeting, via Zoom for a short presentation and a chance to get your planning and research questions answered.

HYPOTHESIS/ENGINEERING DESIGN STATEMENT PANEL DISCUSSION

**WEDNESDAY, OCTOBER 7, OR
THURSDAY, OCTOBER 8, OR
FRIDAY, OCTOBER 9**

4-5 PM

A good science project starts with a good question, hypothesis, or design statement. Submit your idea and local scientists will help make sure they will be the basis of a successful project. Join our live Zoom discussion.

PROJECT PLAN REVIEW PANEL DISCUSSION

**WEDNESDAY, OCTOBER 21 OR
THURSDAY, OCTOBER 22 OR
FRIDAY, OCTOBER 23**

4-5 PM

A project needs a good plan to be successful. Local scientists will discuss submitted project plans and how to adjust them for success. Join our Zoom discussion.

HOW TO MANAGE PROJECT DATA WEDNESDAY, NOVEMBER 11

4-5 PM

A 3-part series, the first two are pre-recorded videos and will be available to watch on the Akron-Summit County Public Library's YouTube channel beginning Thursday, October 29. Join us for the final Zoom meeting on for a short presentation and a chance to get your questions about managing project data answered.

ELEMENTS OF GOOD ORAL AND WRITTEN PRESENTATIONS

WEDNESDAY, DECEMBER 9

4-5 PM

A 3-part series, the first two are pre-recorded videos and will be available to watch on the Akron-Summit County Public Library's YouTube channel beginning Thursday, November 12. Join us for the final Zoom meeting for a short presentation and a chance to talk with a science fair expert about what makes a winning presentation.
