COMMERCIAL PRINTING CO
AKRON, O
OUR TWENTY-FIRST YEAR.

We take pleasure in presenting our nineteenth volume of the Akron City Directory, feeling confident it will meet all requirements, and even withstand the severe strain of the person looking for a name which he does not know how to spell. Among the good things we offer this year will be found a complete, up-to-date map of the city.

This volume contains the names of Seventeen Thousand Three Hundred and Sixty (17,360) individuals (Not counting the names of married women), and using the multiple 2 1/2, we find Akron's present population is 44,640, an increase of 1,500 since last year.

We hereby return our sincere thanks to all who have favored us with their patronage, and promise to make our "next" issue always the best.

The People who do not praise the XXth Century are — Competitors, Coal Dealers, Paper Hangers and Drummers, for the —— furnaces sold in this city.

Why? because they find it 'up hill business' and 'poor picking' for them where they run up against the XXth Century. Alas for the poor drummers.

The People who do praise the XXth Century are everyone, except the few hard pressed hustling few—‘wander of something to do’.
