INTRODUCTORY

In presenting our
TWENTY-EIGHTH VOLUME

of the Akron City Directory we have endeavored to improve on our work so far as possible and have used best efforts to make a complete canvass and careful compilation and trust the work will meet the approval of all concerned.

We find a substantial growth since our last issue, and basing an estimate on number of names in the Directory we can safely say our present population ranges between fifty-five and sixty thousand people.

As heretofore, we include a Directory of Barberton and Cuyahoga Falls.

Yours respectfully,

THE BURCH DIRECTORY CO.

By investing in legitimate guaranteed safe-sound dividend-paying mining and oil securities, the most profitable investments in the world. We are the largest and most successful firm in the United States owning and operating our own mining and oil properties, and handling the securities of developed, producing, dividend-paying mining and oil companies of demonstrated value and merit. Our enterprises include such great successes as:

The Celebrated Murchie Gold Mine.
A property that is fabulously rich, that has produced over $1,000,000, that is paying 9 per cent dividends and is fast developing into one of the greatest bullion producers of the west.

The Famous Empire Mine.
One of California's largest mines and a steady dividend payer.

The California and New York Oil Companies, Consolidated.
Owning the wonderful 3,000-barrel gusher, the greatest oil well in the country, now paying regular 12 per cent dividends and the rate increasing rapidly.

THESE ARE SOMETHING DIFFERENT.
Our $2,000,000 Trust Fund makes them absolutely safe.

We are not handling ordinary stocks in any ordinary way. We handle only the kinds that pay. Write or call at once for full particulars.
