Stop Burning Money by Trying to Heat Your House with the Old, out-of-date Heating Methods

THE AKRON PLUMBING & HEATING CO.  73 WEST EXCHANGE ST.
DO NOTS

Do Not put your Directory in an out-of-the-way place, but keep it where you can find it quick.

Do Not think that a Directory is paying for itself unless you use it, any more than an idle dollar or clerk can make you money.

Do Not get mad when a customer asks to look at your Directory.

Do Not look happy when a neighbor wants to borrow your Directory, for if you do, he will borrow it again, and if all were borrowers, when would the next Directory be published?

Do Not forget that an up-to-date city must have a Directory and a merchant that has no Directory is what?

Do Not forget that a Directory borrower today will forget to return it tomorrow and you call him what?

Do Not forget that the man who has a Directory pays for it and the borrower gets for nothing what another man pays for. What do you call him?
Facts About Directory Advertising

**It Is the Only Advertising** that is not "hit or miss" from the fact that it can always be found when wanted.

**It Is the Only Advertising** medium that has no competition and is used by practically the whole community and is not used for kindling purposes a short time after issued—nor is it read once and thrown away.

**It Is the Only Advertising** which is on the job 365 days in a year and, in many establishments, 24 hours a day.

**It Is the Only Advertising** medium where you can advertise your goods with absolute certainty that the public can find this information when desired.

**It Is the Only Advertising** medium where you would look and expect to find what you want when you want it.

**It Is the Only Advertising** medium that represents every business house in the City, and to omit your sign therefrom is like neglecting to place your sign in front of your place of business.

COPYRIGHT LAW
Section 28 In Force July 1st, 1909

That any person who willfully and for profit shall infringe any copyright secured by this Act, or who shall knowingly and willfully aid or abet such infringement, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be punished by imprisonment for not exceeding one year, or by a fine of not less than one hundred dollars, nor more than one thousand dollars, or both in the discretion of the court.
The City Directory

Represents
Conditions
Today—
History
Tomorrow

The men who direct the affairs of the city and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the world as no other publication does or can do.

It is the logical means of publicity in advertising the city, its industrial, commercial and social advantages.

Patronize the City Directory and you automatically boost your own business.

The sign over your door is a mighty good investment, but just consider how much "mightier" investment the Directory offers you.
