1943
AKRON, OHIO
1943

Akron, "City of Opportunity" and "Rubber Capital of the World," is in the heart of the middle-west industrial district. Its "over-night" area is 500 miles in radius, includes 18 states and 75,000,000 persons and has better than 70 per cent of the buying power of North America.

STATISTICAL REVIEW

Form of Government—Mayor-Manager and City Council
Population—272,000 (estimated)
Area—55 square miles
Altitude—1,180 feet

Industry—1942—More than 250 industries employ approximately 90,000 persons. Rubber factories, which in peacetime make thousands of varied articles, now are manufacturing almost entirely for the armed forces. Bullet-proof gas tanks, tank treads, blimps, airplanes, anti-aircraft guns, tires and tubes are a few of the many products made in Akron today. Other industries are clay products, cereal, machine tools, dies and stamps.

Airport—Built at a cost of more than $3,000,000 the Akron municipally-owned airport covers 900 acres and has 1,300 linear feet of paved runways. On or near the airport grounds are hangars, administration building, the Goodyear Zeppelin Dock, the Guggenheim Aeronautic Research Institute, the Rubber Bowl and Derby Downs. Pennsylvania Central and United Airlines make 8 scheduled stops daily.

The City Directory
is the most effective and economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The Classified Lists in the Business Directory form the best Buyers’ Guide on earth. A modern, up-to-date method of getting what you want, when you want it.
