

Summit County Chapter of the Ohio Genealogical Society Documents

Special Collections – Akron Summit County Public Library

ACCESSIONS: SC-2006-90

LOCATION: 9 B 8 to 10 A 1

ACQUISITION: The collection of scrapbooks was donated by Ima Gene Boyd in November 2006. Ima Gene Boyd served as historian of the Summit County Chapter of the Ohio Genealogical Society for many years.

ACCESS: Restricted access; materials fragile; access by request at Main Library Special Collections only.

BIOGRAPHICAL NOTE: The Summit County Chapter of the Ohio Genealogical Society was chartered on April 17, 1971. The society's purpose is to "create and build an interest in preserving and collecting historical and genealogical records in, and for, Summit County and the State of Ohio; to advance the study of genealogy; and to attempt to help and educate the individual in his own research." Ima Gene Boyd served as its historian for many years.

SCOPE AND CONTENT: The collection consists of meeting minutes, the chapter charter, membership rosters, guidelines, photographs, cemetery files, meeting sign-in sheets, and various other documents. The collection is updated annually.

CONTAINER LIST: 28 boxes; 1 envelope; 24 notebooks; 1 flat file

NOTES: The collection originally consisted of seven spiral notebooks with most documents contained within archival sheet protectors. The notebooks were mainly arranged by year with one notebook of meeting sign-in sheets from 1986-2003.

Documents received prior to 2010 were removed from the notebooks and placed into flat, archival storage boxes. Additions to the collection will be kept in the original containers as long as the containers remain in good condition.
