NOTE: These numbers cannot be compared from month to month for the following reason: the numbers may not reflect additions and deletions to the payroll system as the changes are made immediately prior to or after the date the personnel action is effective.

Mr. Rich moved, seconded by Mrs. Adair, adoption of the Personnel Report. The roll call vote followed: Mrs. Adair, Mr. Casey, Mrs. Darlington, Mr. Frola, Mr. Rich, Mr. Rochford and Mr. Weber all voted aye. The motion carried.

Mr. Jennings presented the draft lease for space at the Tri-County Plaza for the Springfield-Lakemore satellite branch facility. The lease is with the owners of the plaza, Akron Center Associates, whose office is in Cranberry, PA. The previously agreed to Letter of Intent laid out the basic terms of the lease, including a seven-year initial term for the 4,500 SF space.
In this lease agreement, the total obligation will be $4,321/month in the first three years, and $4,756/month in the last 4 years of the lease. The lease numbers are slightly different from those in the Letter of Intent because the landlord mistakenly used CAM and tax calculations from a previous lease with another tenant. There was also no mention of the 15% of CAM administrative charge that is in this lease agreement. These differences resulted in an additional $270/month above the LOI numbers, or an additional $3,240/yr.

These were unfortunate mistakes without any intent to deceive. Mr. Jennings said he hopes this does not jeopardize or further delay the leasing of space in the plaza. Even with these changes, the annual obligation for the first three years ($52,840) will be less than the estimate ($60,000).

The build-out and preparation of the space by the plaza owners will take place in the next three months, and then the Library will have the opportunity to install the furnishings, shelving, collection, and technology. Additionally, staff will need to be hired. Mr. Jennings said, if approved, there is a good chance to open the new facility around December 1, 2017.

Mr. Jennings stated the lease has been reviewed by Jeff Heintz at Brouse McDowell. Mr. Jennings believes this is a fair and workable agreement.

After discussion, Mrs. Adair moved, seconded by Mrs. Darlington, approval of the Lease Agreement. The roll call vote followed: Mrs. Adair, Mr. Casey, Mrs. Darlington, Mr. Frola, Mr. Rich, Mr. Rochford and Mr. Weber all voted aye. The motion carried.

Mr. Jennings reported that in early June the Library will embark on year six of the summer reading and wellness program, *Mind, Body & Sole*. He said last year the Library had almost 9,000 participants, with over 4,000 completing both the reading and wellness components of the program. Summer reading is a key factor in battling what educators call the “summer slide” that causes students to regress in their reading level. The Library looks forward to encouraging both reading and physical activity this summer.

Mr. Jennings provided each Board member with an updated resource notebook containing a number of fundamental documents concerning the Library’s organization, structure, legal standing, state and local funding, and overall function. He reported that copies of these documents are also being provided to all members of the Library’s Administrative Team. He reviewed the table of contents:

**REPORT OF PERSONNEL COMMITTEE MEETING**

*Northwest Akron Branch Library*

*May 24, 2017*

Prior to the meeting officially beginning, Mr. Weber administered the oath of office to Mr. Rochford, who began a new term on the board on May 15, 2017.

On Wednesday, May 24, 2017, the Personnel Committee met in the Community Room of the Northwest Akron Branch Library. The meeting was called to order at 4:03 pm by Committee Chair, Bernie Rochford. Also in attendance were Committee members Lolita Adair, Ray Weber, and William D. Rich. Library staff members David Jennings, Lisa Peercy, Patty Marsh, and Ann Hutchison attended. Also in attendance were insurance brokers Dennis Toth and Karen Nist of AUI (Associated Underwriters Insurance).

Mr. Rich moved to adopt the agenda, and all committee members present voted aye.

The first item on the agenda was presentation of recommended insurance benefits for 2017/2018 by Mr. Jennings and Ms. Peercy. After discussion of the options presented, Mr. Rich moved to accept the quote from SummaCare requiring a change to the deductible from $6,000/$12,000 to $7,000/$14,000 for a rate increase of 0.54%. Mr. Weber seconded the motion and all members of the committee voted aye. This comes as a recommendation to the Board.

The roll call vote followed. Mrs. Adair, Mr. Casey, Mrs. Darlington, Mr. Frola, Mr. Rich, Mr. Rochford, and Mr. Weber all voted aye. The motion carried.

Mr. Jennings noted that since 2009, using the Health Reimbursement Account approach (increasing plan deductibles without increasing staff obligation) had provided significant savings for both the Library and for individual employees. As explained in his memo to the committee, the cumulative savings from this approach for the Library since 2009, compared to simply accepting the rate increases proposed, was over $4 million. Similarly, the cumulative savings for an employee with single coverage was over $4,000.

Mrs. Adair moved to accept the quote from Lincoln Financial for a 0% rate increase on Dental, Vision, and Life and AD&D insurance, maintaining the same coverage. Mr. Weber seconded the motion and all members of the committee voted aye. This comes as a recommendation to the Board.

The roll call vote followed. Mrs. Adair, Mr. Casey, Mrs. Darlington, Mr. Frola, Mr. Rich, Mr. Rochford, and Mr. Weber all voted aye. The motion carried.

In the next agenda item David Jennings and Lisa Peercy requested the addition of a new position to the ASCPL Salary Schedule, Server Administrator in IT. After some discussion of the need for the position in terms of management of key IT

The next agenda item was a request to reclassify the position of Circulation Supervisor, Grade 13, to Circulation Manager, Grade 15. The rationale for this adjustment was provided to the committee, and consisted of numerous changes to the scope of responsibility of this job over the past seven years. Mrs. Adair moved to recommend the changes to position title, grade, and job description as presented. Mr. Weber seconded the motion and all members of the committee present voted aye. This comes as a recommendation to the Board.

The roll call vote followed. Mrs. Adair, Mr. Casey, Mrs. Darlington, Mr. Frola, Mr. Rich, Mr. Rochford, and Mr. Weber all voted aye. The motion carried.

With an update on the Library’s Diversity Initiative, Mr. Jennings presented a report from Lisa Peercy, Human Resources Director, highlighting the progress of the McDowell Librarian Scholarship recipients. Four are currently employed as librarians within our system; two others are making progress, one of whom will graduate in December 2017. This program has resulted in three more African-American librarians than previously employed here. The McDowell Scholarship has been posted again; interviews will be conducted in late June.

Included in the report was the Library’s equal employment opportunity statistics. In terms of minority employment, current statistics show a higher percentage of minority employees than in May 2016 for all minorities from 20.7% to 21.6%.
