

Hotspot Lending Borrower's Agreement

I understand that the Akron-Summit County Public Library's (ASCPL) *Hotspot Lending* program is funded through the **Emergency Connectivity Fund (ECF)**, a federal program intended for Library customers who **do not** have sufficient Internet access outside of the Library. Hotspots are reserved for customers who meet that qualification. Upon receiving a hotspot, I acknowledge that:

- I **do not** have sufficient Internet access outside of the Library.
- I am responsible for the safe and timely return of the ASCPL hotspot at the end of the two-week loan period.
- I understand borrowers must be 18 years of age to borrow a hotspot.
- I am responsible for ensuring that that hotspot is not damaged, lost, or stolen.

Replacement fees for damaged, lost, or stolen ASCPL hotspots are as follows:

Hotspot unit: \$30

Power adapter: \$10

Case: \$25

Printed Name: _____ Phone: _____

Signature: _____ Date: _____

This Borrower's Agreement will be retained for ECF audit purposes only and will not be shared with any other parties.
