PLAYAWAY® Instructions

Playaway® is a self-contained audio book. All you need is headphones and a Triple A battery. *(Batteries not included.)*

To get started:

1. Place a Triple A battery in the top of the player (top- says “Playaway”). Locate the battery cover snap at the wide base of the player. Then, use your thumb, coin or a screwdriver to push the clip which will allow you to unsnap and remove the cover. Place the Triple A battery in the player making sure to place positive and negative sides in the correct location. Lastly, snap the cover back into place.

2. Plug in headphones or speakers into the right side of the player (right- if looking at the player’s buttons).

3. Press the Power button.

4. Press the Play button to begin listening to the audio book.

5. Press Play button again to pause the audio book. The display will read Pause and then read the time left in the chapter.

6. Press and hold the Power button 3 seconds to turn off the player. Display will read Off and then go blank. The player will remember where the audio book stopped.
